## EXPERIENCE

### CHAI Dallas — *Contract Web Designer*

Remote | September 2025 – Present

- Redesigning the CHAI Dallas website, creating a clear site structure with a refreshed visual identity.
- Developing all pages focusing on intuitive navigation, consistent content flow, and user friendly interactions.
- Guiding the organization through launch prep with training, domain transfer support, and foundational setup to ensure long term usability.

### Duluth Newman — *Marketing Intern*

Duluth, Minnesota | August 2024 – December 2025

- Prepared marketing materials such as handouts, social media posts, and email campaigns.
- Assisted with preparation of annual events including seasonal outreach and campaigns.
- Managed stock of event supplies, marketing materials, and general operational needs.

### Graco — *Digital Content Intern*

Rogers, Minnesota | May 2025 – November 2025

- Led audit of 400+ long-form web articles for accessibility and brand alignment.
- Optimized article structure, strategic calls to action, and metadata to improve search visibility and user engagement.
- Collaborated with the Web Strategy team on UX and AI-enhanced content strategies.
- Designed branded graphics for social media campaigns, supporting digital initiatives.
